

Share the ride whether it's on a bus,
train or carpool at a Park & Ride lot.

SIT BACK AND RELAX, WE'LL TAKE YOU TO WORK.

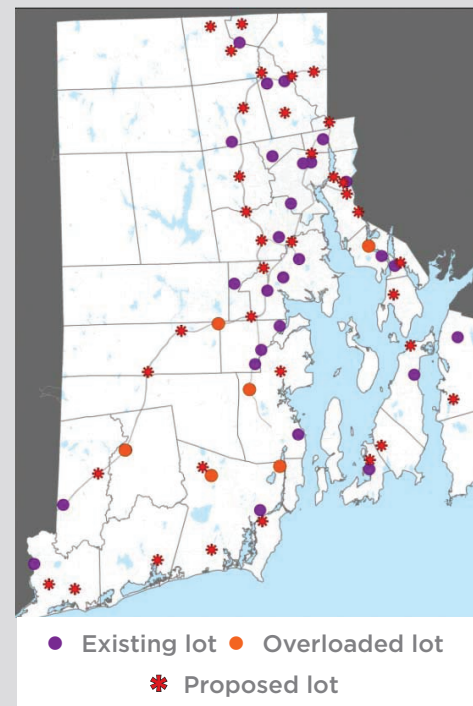

A long-exposure photograph of a busy city street at night. The image shows light trails from cars and streetlights, creating a sense of motion. A person is visible walking on the sidewalk in the foreground.

program includes: addition of new lot locations, introduction of more frequent and mid-day bus service, installation of passenger amenities at these locations, improved signage, expansion of the guaranteed ride home program, and efforts to increase EcoPass participation, our employee transit pass program. This project also represents a significant partnership and coordination between RIPTA, who will provide bus service, and RIDOT, who will assist in land acquisition and lot maintenance.

NEW PARK AND RIDE LOT LOCATIONS

This map shows how much the new lot locations will expand the current Park and Ride System.

Adding new lots and enhancements to the Park and Ride system will help more people commute by bus.
